# SW-A2.1 700

***Elegant 2.1ch speaker system with rich sound***

Genius introduces a new 2.1ch subwoofer speaker system, the SW-A2.1 700 for desktop/laptop users. Its wooden subwoofer has a 4-inch unit driver with a wide reflex cabinet for excellent deep bass performance. The elegant satellite speakers have a 50x90 mm textile-covered driver for clear and detailed mid and high range frequencies for realistic sound. There are also volume and bass controls with a green LED on the front of the subwoofer for easy control and recognition.

In addition, SW-A2.1 700 has a AUX in and headphone jack, for audio input from various mobile devices for personal enjoyment. SW-A2.1 700 is ideal for listening to music, watching movies or playing games with a wide range of frequencies and enhanced bass.
